- (b) a Closely Related Party of such a member (together "prohibited persons").

However, the Company will not disregard a vote if:

- (e) by the Chairman of the Meeting pursuant to an express authorisation on the Proxy Form.

Resolution 2: Re-election of Director (Mr G Carman)

To consider and, if thought fit, to pass with or without amendment, the following resolution as an ordinary resolution:

That Mr Grant Carman, being a Director of the Company who retires by rotation in accordance with Clause 3.6 of the Company's Constitution and, being eligible, offers himself for re-election, be re-elected as a director of the Company.

The Chairman of the AGM intends to vote all available proxies in favour of Resolution 2.

Resolution 3: Issue of shares to Mr G Carman in lieu of Directors Fees

To consider and, if thought fit, to pass with or without amendment, the following resolution as an **ordinary resolution**:

That in accordance with Listing Rule 7.1 and listing Rule 10.11 and for all other purposes, the Company be permitted and authorized to issue 571,428 shares at \$0.07 each to Mr G Carman a related party in lieu of cash Directors fees on the terms and conditions set out in the accompanying Explanatory Memorandum.

The Chairman of the AGM intends to vote all available proxies in favour of Resolution 3.

Voting Exclusion Statement

The Company will disregard any votes cast in favour of this Resolution 3 by or on behalf of Mr Carman and any other person who will obtain a material benefit as a result of the issue of the shares or an associate of that person or those persons.

However, this does not apply to a vote cast in favour of the resolution by:

- (a) a person or proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the chair to vote on the Resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Resolution 4: Additional 10% placement capacity

To consider and, if thought fit, to pass with or without amendment, the following resolution as a **special resolution**:

That, for the purpose of Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of the issue) calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 for the purpose and on the terms set out in the Explanatory Statement accompanying this Notice of Annual General Meeting.

The Chairman of the AGM intends to vote all available proxies in favour of Resolution 4.

Voting Exclusion:

The Company will disregard any votes cast in favour of the Resolution by or on behalf of any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the entity) or an associate of those persons. However, this does not apply to a vote cast in favour of the Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the chair of the Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the chair to vote on the Resolution as the chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Important note: The proposed allottees of any Equity Securities under the Additional 10% Placement facility are not yet known or identified. In these circumstances (and in accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Facility), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

Voting at General Meeting

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the General Meeting are those who are registered Shareholders of the Company at 7.00pm (AEDT) on 24 November 2024. Accordingly, transactions registered after that time will be disregarded in determining entitlements to attend and vote at the general meeting.

Proxy and Voting Entitlement Instructions are included on the Proxy Form accompanying this Notice of Meeting.

BY ORDER OF THE BOARD

W J Kernaghan
Company Secretary
23 October 2024

EXPLANATORY STATEMENT

1. INTRODUCTION

This Explanatory Statement has been prepared for the information of Shareholders of RPM Automotive Group Limited (“the Company”) in connection with the business to be conducted at the annual general meeting of Shareholders to be held at 1-7 Ausco Place, Dandenong South, Victoria on Tuesday, 26 November 2024 at 11.30am (AEDT).

This Explanatory Statement forms part of and should be read in conjunction with the accompanying Notice of Meeting.

2. 2024 ANNUAL REPORT

In accordance with the requirements of the Company’s Constitution and the Corporations Act, the 2024 Annual Report will be tabled at the annual general meeting. Shareholders will have the opportunity of discussing the Annual Report and making comments and raising queries in relation to the Report. There is no requirement for a formal resolution on this item.

Representatives from the Company’s auditors, Nexia Melbourne Audit Pty Ltd, will be present to take shareholders’ questions and comments about the conduct of the audit and the preparation and content of the audit report.

3. ADOPTION OF REMUNERATION REPORT – Resolution 1

3.1 General

Pursuant to section 250R (2) of the Corporations Act, the Company is required to put the Remuneration Report to the vote of Shareholders. The Directors’ Report for the year ended 30 June 2024 contains the Remuneration Report which sets out the remuneration policy for the Company and reports on the remuneration arrangements in place for the Directors and Key Management Personnel.

Resolution 1 is advisory only and does not bind the Directors of the Company. Of itself, a failure of Shareholders to pass Resolution 1 will not require the Directors to alter any of the arrangements in the Remuneration Report.

A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

3.2 Voting consequences

If at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of directors of the Company (Spill Resolution) at the second annual general meeting.

If more than 50% of shareholders vote in favour of the Spill Resolution, the company must convene the extraordinary general meeting (Spill Meeting) within 90 days of the second annual general meeting.

At the Company’s previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

4. Re-election of a Director –Resolution 2

Resolution 2 relates to the re-election of Mr Carman as a Director.

In accordance with the requirements of clause 3.6 of the Company’s Constitution and the Corporations Act, one-third of the directors of the Company retire from office at this annual general meeting of the Company. Mr Grant Carman retires by rotation and, being eligible, offers himself for re-election.

Mr Carman is a chartered accountant with over 30 years’ experience in corporate finance and Australian Capital Markets.

Mr Carman has held senior executive positions for and acted as a corporate adviser to a large number of Australian and International companies from a range of industry sectors, including financial services, automotive, pharmaceuticals, wholesale distribution, manufacturing, services, resources, technology and telecommunications.

5. Resolution 3: Issue of shares to Mr G Carman in lieu of cash payment of Directors Fees

This resolution seeks approval under Listing Rule 7.1 and Listing Rule 10.11 for the issue of 571,428 ordinary fully paid shares in the Company at \$0.07 in lieu of a cash payment of \$40,000 for Director fees to Mr G Carman. Mr Carman yearly Director Fees are \$40,000 pa. If shareholders do not approve the issue of these shares, then Mr G Carman will be paid \$40,000 as a cash payment. If this resolution is approved, then these shares will be issued within one month after the date of this meeting.

Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

a related party;

10.11.1 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;

10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which give them a right or expectation to do so;

10.11.3 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or

10.11.4 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by Shareholders. Unless it obtains the approval of its Shareholders.

The issue of shares falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 3 seeks the required Shareholder approval for the issue of the Shares under and for the purposes of Listing Rule 10.11.

Information required by Listing Rule 14.1A

If Resolution 3 is passed, the Company will be able to proceed with the issue of the Shares to Mr Carman within one month after the date of the AGM (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Shares (because approval is being obtained under Listing Rule 10.11), the issue of the Shares will not use up any of the Company's 15% annual placement capacity.

If resolution 3 is not passed, the Company will not be able to proceed with the issue of the Shares and will make a cash payment of \$40,000 to Mr Carman.

Technical information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolution 3:

Rule 10.13.1: Name of person:

Mr Grant Carman

Rule 10.13.2: Nature of relationship:

Mr Grant Carman is a Director of the Company and is a related party under Listing Rule 10.11.1.

Rule 10.13.3: Number of securities to be issued:

571,428 fully paid ordinary shares.

Rule 10.13.4: If the securities are not fully paid securities, a summary of the material terms of the securities:

Not applicable

Rule 10.13.5: Date by which the securities are to be issued:

If Shareholders approve Resolution 3, the issue and allotment of the Shares to Mr Carman, will occur on a date which is no later than one month after the date of this AGM.

Rule 10.13.6: Issue price of the securities and a statement of terms of issue:

The issue price of the shares to be issued to the director will be \$0.07 per share being in lieu of the cash payment of director fees in the amount of \$40,000.

Rule 10.13.7: Intended use of the funds:

The purpose of the issue of the shares in lieu of the payment of Director fees is to conserve the cash of the Company.

Rule 10.13.8: Intended to remunerate Directors:

The shares issued to the Director in lieu of the cash payment of Director fees are not intended to incentivise the Director. Mr Carman's yearly Director's fees are \$40,000 pa.

Rule 10.13.9: If securities are issued under an agreement, a summary of any other material terms of the agreement:

Not applicable

Rule 10.13.10: A voting exclusion statement:

A Voting Exclusion Statement is included in the Notice of Annual General Meeting.

Accordingly, the Board (with Mr Carman abstaining) unanimously recommends that Shareholders approve Resolution 3.

6. Resolution 4: Approval by special resolution of additional 10% equity securities issue facility

Background

In addition to the 15% equity securities issue capacity permitted without Shareholder approval under Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under Listing Rule 7.1A may issue or agree to issue during the specified period, a number of equity securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period, calculated in accordance with the formula in Listing Rule 7.1A.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less (excluding restricted securities and securities quoted on a deferred settlement basis). The Company is an eligible entity.

Any equity securities issued under the 10% placement facility must be in the same class as an existing class of equity securities of the issuing company. The Company has one class of quoted equity securities on issue, being ordinary shares.

Resolution 4 seeks Shareholder approval by way of a special resolution to issue equity securities under the Additional 10% Placement Facility available under Listing Rule 7.1A. The maximum number of quoted equity securities that may be issued under the additional 10% placement facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

If Resolution 4 is passed, the Company will be able to issue equity securities up to a combined 25% limit as provided in Listing Rules 7.1 and 7.1A without further Shareholder approval.

If Resolution 4 is not passed, the Company will not have the additional 10% capacity to issue Equity Securities without Shareholder approval available under Listing Rule 7.1A and will remain subject to the 15% limit on issuing (or agreeing to issue) Equity Securities without Shareholder approval permitted under Listing Rule 7.1.

Resolution 4 is a special resolution and therefore requires approval by 75% of the votes cast by Shareholders present and eligible to vote at the AGM (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Regulatory Requirements

The following information is provided to Shareholders as required by Listing Rule 7.3A:

a. Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be a cash consideration per Equity Security of not less than 75% of the volume weighted average price of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- i. The date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or

- ii. If the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

b. Dilution

As at the date of this Notice of AGM, the Company has 252,305,318 Shares on issue. If Shareholders approve Resolution 4, the Company will have the capacity to issue approximately 25,230,531 Equity Securities under the Additional 10% Placement Facility in accordance with Listing Rule 7.1A.

If Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Facility, existing Shareholders voting power in the Company will be diluted as shown in the table below to the extent Shareholders do not receive any Shares under such issues. There is a risk that:

- i. the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than the date of the AGM; and
- ii. the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice of AGM.

The table below also shows:

- i. two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rate entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- ii. two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% against the current market price.

iii.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.035 50% decrease in Issue Price	\$0.070 Issue Price	\$0.105 50% increase in Issue Price
Current Variable A 252,305,531 Shares	Shares issued	25,230,553 New Shares	25,230,553 New Shares	25,230,553 New Shares
	Funds raised	\$883,069	\$1,766,138	\$2,649,208
50% increase in current Variable A 378,458,296 Shares	Shares issued	37,845,829 New Shares	37,845,829 New Shares	37,845,829 New Shares
	Funds raised	\$1,324,604	\$2,649,208	\$3,973,812
100% increase in current Variable A 504,611,062 Shares	Shares issued	50,461,106 New Shares	50,461,106 New Shares	50,461,106 New Shares
	Funds raised	\$1,766,138	\$3,532,277	\$5,298,416

The table has been prepared on the following assumptions:

1. The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Facility.
2. No Options are exercised before the date of the issue of the Equity Securities.
3. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
4. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Facility, based on that Shareholder's holding at the date of the AGM.
5. The table shows only the effect of issued of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
6. The issue of Equity Securities under the 10% placement Facility consists only of Shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
7. The issue price is \$0.07, being the closing price of the Shares on ASX on 11 October 2024.

c. Issue Period

If Shareholders approve Resolution 4, the Company will have a mandate to issue Equity Securities under the Additional 10% Placement Facility under Listing Rule 7.1A from the date of the AGM until the earlier of the following to occur:

- i. The date that is 12 months after the date of the AGM;
- ii. The time and date of the Company's next AGM; and
- iii. The date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature of scale of activities) or 11.2 (disposal of main undertaking).

(the Additional 10% Placement Period).

The Company will only issue and allot Equity Securities under the Additional 10% Placement Facility during the Additional 10% Placement Period.

d. Purpose of Issues

The Company may only issue the Equity Securities for a cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including payment of expenses associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.

The Company will provide further information at the time of issue of any Equity Securities under the Additional 10% Placement Facility in compliance with its disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A.

e. Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including but not limited to the following:

- i. the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues of Equity Securities in which existing Equity Security holders can participate;
- ii. the effect of the issue of the Equity Securities on the control of the Company;
- iii. the financial position and solvency of the Company; and
- iv. advice from corporate, financial, and broking advisers (if appropriate).

No issue will be made to any related party

f. Previous issues

The Company has previously obtained Shareholder approval under Listing Rule 7.1A on 22 November 2023.

In accordance with listing rule 7.3A.6(a) and listing rule 7.3A.6(b) details of the total number of Equity Securities issued in the past 12 months preceding the date of the meeting and the percentage those issues represent of the total number of Equity Securities on issue at the commencement of the 12-month period are as follows:

Equity Securities issued in prior 12-month period	19,608,139
Percentage previous issues represent of total number of Equity Securities on issue at commencement of 12-month period	9.97%

Fixed issue price per Share: The shares were issued at a price of \$0.072 per Share.

Recipients of issue: Numerous sophisticated and professional investors who participated in the issue. The issue was managed by Bell Potter as the sole lead manager and bookrunner.

Terms of securities: The shares are fully paid ordinary shares which rank equally with other existing fully paid ordinary shares in the Company.

Use of funds raised: The funds raised has been applied towards the Company's Tyre Recycling Program and general working capital needs.

g. Voting exclusion statement

A voting exclusion statement for Resolution 4 is included in the Notice of AGM preceding this Explanatory Statement.

At the date of the Notice of AGM, the Company has not approached any existing Equity Security holder nor any identifiable class of existing Equity Security holders to participate in the issue of the Equity Securities. Accordingly, the proposed allottees of any Equity Securities under the Additional 10% Placement Facility are not yet known or identified.

In these circumstances (and in accordance with the note set out in ASX Listing Rule 14.11.1 relating to ASX Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known that that person will participate in the proposed issue. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the Additional 10% Placement Facility), Shareholders must consider the proposal on the basis that they may or may not get a benefit, that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

No existing Shareholder's votes will therefore be excluded under the voting exclusion statement in the Notice of AGM.

Directors' Recommendation

The Directors believes that the Additional 10% Placement Facility is beneficial for the Company as it will give the Company the capacity to issue further Equity Securities representing up to 10% of the issued capital of the Company (at the time of this issue) during the next 12 months. Accordingly, the Directors recommend that Shareholders approve Resolution 4.
